ANNUAL CONFERENCE OF THE
ASSOCIATION OF OCCUPATIONAL HEALTH
KARNATAKA

Dear Members,

It gives us great pleasure to invite you all to the **75th Annual Conference of Association of Occupational Health Karnataka (AOHK)**. The Theme of this year's conference is:

“Predict Prevent , Protect AI driven Occupational Health Excellence ”

This year we aim to learn and share about the problems and solutions to new paradigms emerging in Occupational and Environment settings and responses from health professionals.

ABOUT AOHK: The Indian Association of Occupational Health was established in the year 1948 in the steel city of Jamshedpur. The Karnataka Branch now known as Association of Occupational Health Karnataka (AOHK) was started in 1949. AOHK is the second largest branch in the country and is steadily growing in strength with a membership of close to 350 professionals.

AOHK has numerous activities which include CMEs in the form of lectures, seminars and conference are also studies in the field of Occupational Health and Industrial Medicine.

The important awards given during the state conference include the **Platinum Jubilee Oration** done for the first time after completing 75 year of its Existence with Golden Jubilee Oration, the **Silver Jubilee Oration**, best scientific research by an industrial doctor, best research by a postgraduate studying in Karnataka in the field of occupational health and Manjunatha Nayak Memorial Award given to the best essay written by a medical undergraduate student on the theme of this year's conference.
